Product Listing/Category

We will produce a product/service category listing to help delegates find products/health conditions and services. This will be cross-referenced with the exhibition stands.

Please indicate which categories you would like to be listed under on the exhibition form.

Prizes

We will list any prizes/competitions/giveaways you are offering from your stand. We include these details in the conference proceedings and on the main information board to give delegates a heads up on what is happening around the exhibition area. This will also help as a conversation starter and may reduce the need for repetition re introducing the prize/competition when delegates arrive at your stand.

We can notify winners of your competition onsite, prior to the final catering session on Sunday, and encourage them to visit your stand to collect their prize prior to leaving the conference. We can only do this for exhibitors who advise us what competition they are running.

You will need to advise the winner of your competition to us at the conference registration desk by 5pm on Saturday 17 August.

Deadline for receiving your prize/competition details is Friday 28 June 2024.

Delegate Flow Conference Competition

To encourage delegate flow in all areas we are running a "Digital Passport" via the Whova app.

Attendees can access the Passport Contest through the home page of the app. From here, they will be able to collect stamps by visiting your booth and getting their QR Code scanned.

Please ensure you have at least one person on the stand who has downloaded the app to scan attendees who want to enter the competition.

Delegates will need to obtain a "stamp" from all exhibitors to enter the draw for a \$2,000 travel voucher.

Frequently Asked Questions

What are the benefits of providing promotions in Whova?

The new feature provides another way for you to engage with attendees and gain more leads. You can attract more visitors to your booth even before the event starts.

What information do I need to provide?

Currently we support two types of promotional information: Raffles/ giveaways and coupons. For raffles/giveaways, you will need to provide a description and simple rules if you have any. For coupons, in addition to the description, you will also need to provide the coupon image.

Do I have to participate? What if I don't have any promotions?

No, you don't have to participate. If you don't have any promotions, you will still be listed as a regular exhibitor in the app.

How do I know who requested and received my promotion information? How can I announce the winners?

During and after the event, we will send you a summary of attendees who have signed up for your promotional activities. With this list, you can easily contact and message them in the Whova app.
